

**How do you feel about mathematics this year?**

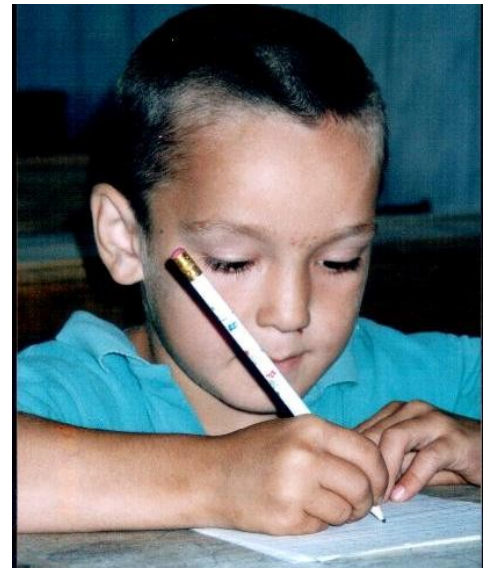

**How did you feel about mathematics last year?**

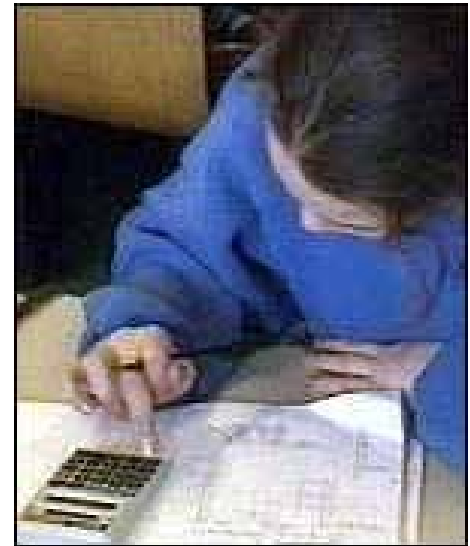

Sharing at the board

Writing

Using computers

Using calculators

Discussing in groups

Working from textbooks or worksheets

Listening to the teacher

Practical mathematics

**Looking at these pictures, what did you do in  
mathematics lessons last year?**

**Please order the pictures, putting that what you  
feel you did most in the lesson, first.**

**Looking at these pictures, what do you do in  
mathematics lessons this year?**

**Please order the pictures, putting that what you  
feel you do most in the lesson, first.**

**Could you please tell what is the same and what is different between mathematics lessons last year and this year?**

**Please circle**

**very good**

**good**

**I am**

**at mathematics**

**ordinary**

**not so good**

**Please circle**

**My teacher thinks I am**

**very good**

**good**

**at mathematics**  
**ordinary**

**not so good**

**Please circle**

**Other people think I am**

**very good**

**good**

**at mathematics**  
**ordinary**

**not so good**

**Did you enjoy answering these questions?**

**Would you prefer them to be given in the same format or differently next time?**

Thank you very much for your  
time and effort!
